

CAREER BOOT CAMP

GOALS:

- ◆ To expose students to clinical and non-clinical departments in the hospital environment.
- ◆ Inspire students to further explore a career in healthcare.
- ◆ Positive exposure to the benefits of working in healthcare.
- ◆ Demonstrate the importance of each role in the hospital.

OBJECTIVES:

- ◆ Students will understand the number of careers offered in healthcare.
- ◆ Students will be able to name at least one area of healthcare they may be interested in as a career choice.
- ◆ Students will be able to describe what education path is required to pursue a particular area of interest in healthcare.
- ◆ Students will develop an understanding of how healthcare providers in each area serve patients.
