

## ***The Knoxville Hospital & Clinics Auxiliary***

For more than 45 years, the Auxiliary has been supporting the mission of KHC. Through the years, the Auxiliary has raised thousands of dollars to help provide much-needed equipment to KHC patients as well as support the health and well-being of Knoxville and the surrounding areas.

One of the main services of the KHC Auxiliary is staffing the Flutterbye Gift Shop, located in the main Lobby at KHC. The gift shop provides a variety of items including gifts, candy, clothing, and personal items. All funds raised in the Flutterbye Gift Shop support the KHC Auxiliary.

For more than 80 years, Knoxville Hospital & Clinics has been helping families throughout south central Iowa and beyond. As your neighbors, your health care providers, and your community partner, our mission of *faithfully providing exceptional health care* affects every decision we make and how we care for patients and families.

As a non-profit community hospital serving Marion County and the surrounding area, we take great pride in providing exceptional care close to home. Named a Top 100 Critical Access Hospital, our highly skilled medical team provides personal, compassionate, innovative, and quality health care to our patients.
